PLANETARY GEMSTONES™ PENDANT AND BOOK GIFT SET FACT SHEET

DESCRIPTION OF THE GIFT SET: A stunning *Navaratna* pendant which has nine flawless gemstones with beneficial astrological influences, set in sterling silver, on an 18" Italian sterling silver snake chain, and a 64-page full-color booklet – all beautifully packaged for easy gift-giving.

IMPORTANCE: The *Navaratna* Pendant is from Vedic astrology, which offers many remedial methods for undoing, reducing or circumventing the negative effects of the karma. *Nava* means 'nine' and *ratna* means 'gem' in the Sanskrit language. The nine flawless gemstones represent the nine planets used in Vedic(Eastern) astrology: the Sun, Moon, Mars, Mercury, Jupiter, Venus, Saturn, Rahu and Ketu. When only one astrological gemstone is worn, it tends to focus on a particular planet or specific problem. With these nine gemstones together, the *Navaratna* Pendant acts as a protective talisman offering the benefits of all simultaneously for health, happiness and prosperity.

PLANETARY GEMSTONES™ AND THEIR BENEFICIAL INFLUENCES: Ancient sources and scriptures from around the world recognize that gemstones emit powerful energies capable of influencing one's fate and destiny. Each gemstone on the *Navaratna* Pendant is flawless – an important consideration not so much related to their value, but more to their influence on a person:

- Red Garnet (Sun): Enhances good health, determination, intelligence and success
- Zircon (Venus): Promotes happiness, prosperity, longevity, comfort and marital bliss
- Pearl (Moon): Increases memory, wealth, popularity, fortune and good health
- Carnelian (Mars): Increases vitality, courage, wealth and sexual desire
- Hessonite (Rahu): Promotes health, cheerfulness, prestige and mental peace
- Amethyst (Saturn): Brings wealth, fame, a long life, serenity and detachment
- Citrine (Jupiter): Enhances happiness, prosperity, well-being, and a philosophical attitude toward life
- Peridot (Mercury): Good for creativity, communication skills and success in business
- Tourmaline Cat's Eye (Ketu): Governs wisdom and aids in the cultivation of spirituality.

QUALITY: Each *Navaratna* pendant is carefully handcrafted in Jaipur – the silver and gemstone capital of India. The family of craftsmen making this pendant has been in the jewelry business of over 100 years and their level of quality craftsmanship and professionalism has earned them the appreciation of jewelry buyers from all over the world.
